

2012 Short Courses

1 Day Wound Essentials \$110 (Early Bird \$90*)

Wound Management can be complex, however every health professional must have a basic understanding of wound healing. This program will cover wound assessment, treatment aims, wound products, skin tears, pressure injuries, ulceration of legs and surgical wound breakdown.

1 Day Wound Essentials Dates & Locations:

Monday 20 February	Bairnsdale
Monday 5 March	Melbourne
Monday 7 May	Melbourne
Monday 4 June	Mornington
Monday 6 August	Melbourne
Monday 17 September	Albury-Wodonga
Monday 19 November	Melbourne

4 Day Wound Comprehensive \$850 (Early Bird \$800*)

This program, designed to extend basic wound knowledge, will teach decision making skills based on a sound knowledge of underlying pathophysiology and factors known to influence healing, together with accurate assessment of the patient, the wound, and the environment. Participants will learn how to utilise appropriate products and/or devices with ongoing assessment. This course combines both theory and practical aspects of wound care, and culminates with a workshop on bandaging, product selection, patient assessment and documentation.

4 Day Wound Comprehensive Dates (All in Melbourne):

Monday 30 April - Thursday 3 May
Monday 16 - Thursday 19 July
Monday 22 - Thursday 25 October

Master Class Monday 12 - Tuesday 13 November (Melbourne) \$850 (Early Bird \$800*)

This 2 day program is offered to those wishing to seek a signed off clinical competency in:

- Conservative sharp wound debridement
- Doppler vascular assessment of the lower limb
- Compression bandaging
- Product selection according to treatment aims

To enrol in this program the participant is expected to possess extensive wound knowledge i.e. Grad Cert or other formal qualification. This course certifies that skills are at a senior Clinical Nurse Consultant level.

* Early Bird applies if registration & payment received 4 weeks prior to the course

Check the website during the year for \$50 workshop dates!
